Some people, including those with problems with alcohol and drug use, have sometimes been aggressive, broken rules, and the like, even as children. We are interested to know how often this was the case for you. After reading the questions, place an X in one of the boxes to the right. If you NEVER did the behavior, mark an X in the NEVER box. If you did the behavior only once or twice, mark an X in the "1 or 2 TIMES" box. If you did the behavior three or more times, mark an X in the often box. Please mark only 1 box for each question.

	NEVER	1 OR 2 TIMES	3 OR MORE TIMES
1. How often did you bully, threaten, or intimidate other children (except your brothers or sisters), or adults?			
2. How often did start a physical fight?			
3. How often did you threaten someone with a weapon (stick, bat, bottle, knife, gun, etc.) in a fight--or use such a weapon--in a fight?			
4. How often did you beat up, or physically hurt, another person on purpose?			
5. Other than when you were hunting, how often did you intentionally injure, act cruelly toward, or kill an animal?			
6. How often did you take money or property from somebody else by threatening them or by using force, such as snatching their purse or by robbing or mugging them?			
7. How often did you force or pressure anyone to get undressed in front of you, touch you sexually, allow you to touch them sexually, or have sex with you?			
8. How often did you set a fire that you were not supposed to, in order to damage someone's property?			
9. How often did you damage another person's car, house, building, or other property, on purpose?			
10. How often did you break into someone else's house, a building, or car?			
11a. How often did you lie or "con" in order to receive favors or things you wanted from someone?			
11b. How often did you lie in order to avoid having to do things that you did not want to do?			
12. How often did you shoplift from a store, take someone's money or valuable things from them, forge a signature, or steal things that were worth more than a few dollars, even if you weren't caught?			
13. Before you were 13, how often did you stay out very late at night against your parents' wishes, long after you were supposed to be home?			
14a. Before you were 15, how often did you run away from home, overnight, or from the home when you lived with other relatives, stepparents, or foster parents?			
14b. Before you were 15, how often did you run away from one of those homes for more than 3 days?			
15. Before you were 13, how often did you skip school classes or school days, even when you weren't sick?			
If any of your answers were in the gray boxes, please answer questions 16-19 on page 2 (over).			

	Never	Yes, a little	Yes, a significant amount
16. Did these behaviors cause problems in your friendships, relationships with adults, or other relationships?			
17. Did these behaviors cause problems in your school performance, or affect your academic performance or grades?			
18. Did these behaviors cause problems in your job performance, if you had a job?			
Please mark an X in the Yes or the No box for questions 19 and 20.	Yes	No	
19. Did any of these behaviors occur in the past 12 months? If Yes, please circle the question numbers for those that occurred in the past 12 months.			
20. Did any occur before you were 10 years old?
